SOUTHERN ONTARIO MILITARY MUSTER

The Annual Southern Ontario Military Muster (SOMM) Event is our primary charitable program and has become one of the largest military shows in the area.

What makes this event so unique is that we invite **everyone** - Veterans, military personnel, cadets, civilians, vintage military vehicle owners, reenactors from all eras, historians, vendors, gamers and not for profit Veteran and historical community groups together for two days of living history. Explore a World War I trench, experience the sights and sounds of a World War II battle reenactment, see encampments and talk to reenactors, see exhibits and learn what life was like at home and abroad during wartime.

“TO PRESERVE, HONOUR, PERPETUATE AND EDUCATE IN MEMORY OF THOSE WHO SERVED”

We honour Veterans and educate the public.

SOMM's Current Projects - 2015 Military Muster Show and Essex County Veterans Book of Remembrance. Future Goal - Find land for Military Museum and Show.

Throughout the year, we attend and bring vintage military vehicles to Veteran ceremonies and community events. We share biographies in our SOMM Times newsletter and on our website. We encourage the public to explore history, especially their own family history, to uncover, understand and appreciate the sacrifices given for the freedom we have today.

We will remember them.
